

EXQUISITE

PECB

BEYOND RECOGNITION

Become acquainted with the best practices of Information Security Management Systems (ISMS) based on ISO/IEC 27001

Why Exquisite?

Exquisite is the Authorized Training Partner of PECB.

Why should you attend?

ISO/IEC 27001 Foundation training allows you to learn the basic elements to implement and manage an Information Security Management System as specified in ISO/IEC 27001. During this training course, you will be able to understand the different modules of ISMS, including ISMS policy, procedures, performance measurements, management commitment, internal audit, management review and continual improvement.

Who should attend?

- Individuals involved in Information Security Management
- Individuals seeking to gain knowledge about the main processes of Information Security Management Systems
- Individuals interested to pursue a career in Information Security Management

Learning objectives

- Understand the elements and operations of an Information Security Management System
- Acknowledge the correlation between ISO/IEC 27001, ISO/IEC 27002 and other standards and regulatory frameworks
- Understand the approaches, standards, methods and techniques used for the implementation and management of an ISMS
